The Houghton Shahnameh: Volume 1: Historical background and Volume 2: Text, A limited facsimile edition of the Shahnama (Book of Kings)

From Harvard University Press : The Houghton Shahnameh: Volume 1: Historical background and Volume 2: Text, A limited facsimile edition of the Shahnama (Book of Kings) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Houghton Shahnameh: Volume 1: Historical background and Volume 2: Text, A limited facsimile edition of the Shahnama (Book of Kings):

3 of 3 people found the following review helpful. quoting Orhan Pamuk on this bookBy BlakeOrhan Pamuk wrote: "For a novel I am working on, I studied ... The Houghton Shahnameh (Harvard University Press) in the New York Public Library, and was astounded and delighted by the writers' eccentric scholarship. By examining and re-examining pictures of countless kings, princesses, soldiers, heroes, servants, horses, camels, rabbits, demons, dragons, birds, balconies, gardens, flowers, trees, leaves,hunters,lions, lovers, dreams and dreamers, Dickson and Welch rebuilt a lost culture and restored a lost history to minute details."3 of 5 people found the following review helpful. Insight to the forgotten world of the Iranian Kings.By md4orceThis book gives an excellent insight to the long forgotten world of the Persian empire. The kings that once ruled ancient Persia have long been forgotten. They were known for there valour and sense of justice. This is perfectly portrayed in this book. This is a must read for history students who want

to known about about this long forgetton empire.
