The Illustrated Book of Guns: An Illustrated Directory of Over 1,000 Military, Sporting, and Antique Firearms

From Brand: Thunder Bay Press (CA) : The Illustrated Book of Guns: An Illustrated Directory of Over 1,000 Military, Sporting, and Antique Firearms before purchasing it in order to gage whether or not it would be worth my time, and all praised The Illustrated Book of Guns: An Illustrated Directory of Over 1,000 Military, Sporting, and Antique Firearms:

0 of 0 people found the following review helpful. Four StarsBy Michael R. AlbertGood book.1 of 1 people found the following review helpful. Save your money, buy a different bookBy Paul FieldsI have both this one and David Miller's other book The Illustrated Directory of Guns, it's alright. I have used the Chris McNab book The Great Book of Guns more than either one of the Miller books.0 of 0 people found the following review helpful. Five StarsBy

CustomerGreat book! gave to my husband for his birthday and he really enjoyed looking through it.

Five centuries of small arms development are encompassed in this superbly illustrated directory which features more than 1,000 of the most important pistols, rifles, revolvers, submachine, light, and heavy machine guns made and used throughout the world. With the use of hundreds of specially taken photographs, accompanied by a brief technical description of each weapon, this huge volume is the most comprehensive directory of its kind ever published.
