IngrahamPublius Syrus was a former Roman slave who became a famous theatre actor and author who was famous for his pithy sayings (maxims) in the century before Jesus Christs was born. His sayings were profound and were a part of all

western education for 2,000 years. This book encompasses most of Publius Syrus' profound sayings. This is an excellent book!0 of 0 people found the following review helpful. An excellent compilation of witty quotes from Publius SyrusBy J. WaldorfAn excellent compilation of witty quotes from Publius Syrus. I would put his writing on a par with that of La Rochefoucauld for its insight into human nature and economy with words. I believe this translation does justice to the original author.0 of 0 people found the following review helpful. Four StarsBy Jeremy RademacherGreat thinker, whose ideas are still relevant today.
