**Eloy Lasanta : The Ninja Crusade 2nd Edition (Hardcover, 3EG105)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ninja Crusade 2nd Edition (Hardcover, 3EG105):

1 of 1 people found the following review helpful. Five StarsBy Justin L. PlottsGreat edition. New rules make for a great game and streamlined play.

Pick your Clan... Pick your Jutsu... Take on an army! Become powerful ninja fighting against the Izou Empire as it wages its crusade against your kind. The ten most powerful clans have assembled into the Lotus Coalition, and nothing can stop them as long as they can keep their alliances from crumbling! The war must be stopped and the ninja must win for the sake of the world! The Ninja Crusade 2nd Edition includes the following: 10 ninja clans to pick from (plus

an 11th clanless option), Detailed history of the Ninja and the Izou Empire, Lifepath-style character creation system, Full d10 system details, bringing the ninja to life, Opponent creation systems making it easy for GMs to come up with enemies on the fly, Dynamic Environments that make your choice of terrain a real part of the fight and plenty of advice on how to run the game.
