[Free] The No. 1 Price Guide to M.I. Hummel: Figurines, Plates, Miniatures, More 10th Edition

## **The No. 1 Price Guide to M.I. Hummel: Figurines, Plates, Miniatures, More 10th Edition**

**Robert L. Miller : The No. 1 Price Guide to M.I. Hummel: Figurines, Plates, Miniatures, More 10th Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The No. 1 Price Guide to M.I. Hummel: Figurines, Plates, Miniatures, More 10th Edition:

2 of 2 people found the following review helpful. No directoryBy Linda L. FrostThis book IS a GREAT asset to Hummel collectors, but there is a slight annoyance when it comes to this book. Yes, it DOES list all the Hummels, but there is no order and no page number to go to the Hummel you are looking for. If you are unsure of the name of a Hummel--GOOD LUCK! You'll have to go through every single page and search for the one you have. It is very tedious and time consuming. Then if you do know the name of the Hummel, you still have to search through the whole book trying to find it because there is no directory/page number whatever.So yes, I would recommend this to others, but just know what you are getting into when you buy this.0 of 0 people found the following review helpful. just rightBy Santa ClausMet our standards and it's just we wanted..0 of 0 people found the following review helpful. Four StarsBy Julie RHelpful, but you need other books to provide comparison.
