The Officer of the Watch Telescope: 100 Years of Naval Tradition

Brian Buckman : The Officer of the Watch Telescope: 100 Years of Naval Tradition before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Officer of the Watch Telescope: 100 Years of Naval Tradition:

0 of 0 people found the following review helpful. Lack of full information.By Brandon CheshireNot as well researched as I thought it would be. There was for example no mention of type 363.

The most complete work on officer of the watch telescopes ever written with over two hundred color photos, lists of manufacturers, retailers and research resources. This book also includes information on American officer of the deck

telescopes and German officer of the watch style telescopes retailed in the United Kingdom
