## The Official Price Guide to Records, 18th Edition

**Jerry Osborne : The Official Price Guide to Records, 18th Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Official Price Guide to Records, 18th Edition:

7 of 7 people found the following review helpful. Unrealistic Prices!!By L. HornI Have been reading Mr Osbornes price Guides For Years ,But I Must Say He Must Have Asked Dealers Who Had Stock On A Lot Of These Items..Jerry get Real !! . These Prices Will never Be Realized. A Lot Of Northern Soul at Crazy Prices .. Like Dance Dance Dance by The Casuleers for \$700..I will be Happy To Sell You a few For a Third Of That Price There are Way Too many To Mention . In This World Of Vinyl Collecting It seems That There Are No New Collectors To take The Place Of The Old Ones Who have Bought Everything They Need by Now. I Mean How many New Doo Wop Collectors Are There ? I Think Not.Makes it Hard For Dealers Who try To Still Buy Records . When Someone Whips Out The Guide and Then Thinks Your trying To Rob Them..But I guess It Makes the Collector Feel Good To Think He Has Something he Bought On Ebay For \$10.00 Worth \$200All My Bass To youSteve HornThe Legends Of Doo Wop0 of 0 people found the following review helpful. Good purchase.By Loralie WilsonExcellent transaction.

Excellent condition. Perfect all around. A great item at a fantastic price. Words cannot describe my experience on as of late. The item bought was in excellent condition and served its purpose well. Nothing can compare and have nothing ill to say of it, nor do I have anything else to mention that needs concern. Highly recommend for anyone who shops on the internet! is always the best!0 of 0 people found the following review helpful. Five StarsBy Garry LarsonReceived in great condition

From flea markets to hip vintage stores, records remain a hot collectible item. And *The Official Price Guide to Records* is the only book that encompasses the full scope of vinyl, with price listings dating back to 1902, and covers every genre of music -- from swing to new wave, rock to RB, country to classical. This fully updated edition, indexed by artist for ease of use, includes: Values for more than ONE MILLION records Listings of singles and albums by more than 40,000 artists Invaluable information on records of every speed, size, and format A color showcase of album covers

About the AuthorJerry Osborne has been an avid record collector for over 40 years. He is the author of over 100 books on music and records and writes the nationally syndicated music column, "Mr. Music." He has been featured on Good Morning America, CNN, and Today, and in publications including Readers' Digest, The Wall Street Journal, USA Today, People, and Billboard.
